iMobile, understand and take seriously your concern that you care about how your personal information is used and shared. This Privacy Policy applies to only iMobile; it does not apply to other iMobile websites or its subsidiaries or affiliated companies. As a matter of policy, we do not share your personal information with third parties that iMobile does not own or control, or to individuals that iMobile does not employ or manage. We endeavor to protect the confidentiality and security of your personal information by using industry-recognized security safeguards such as firewalls, coupled with carefully developed security procedures to protect your information from loss, misuse or unauthorized alteration. iMobile employees are trained and required to safeguard your information. Your personal information may use it only for business purposes. We also consistently strive to enhance our security procedures. By visiting this website, you agree to be bound by the terms and conditions of this Privacy Policy. If you do not agree, then please do not use or access our site. Collection of your Personal Information: We will ask you when we need information that personally identifies you (personal information) or allows us to contact you. In order for you to use our services, you must complete a registration form. We require your contact information (such as name, home address, mobile phone number and email address). We may also request a password, demographic information and unique identifiers in order to provide you with a more personalized service. We use personally identifiable information in the following ways:

- To provide you with information about application upgrades, new applications, newsletters, informative emails, and research on future product ideas or improvements;
- To assist us in creating content that is relevant to you;
- To provide you with special offers that may be of interest to you;
- To assist us in creating better services to meet your needs;
- To allow you to download applications, obtain access to services or otherwise engage in activities you select; and
- To help you quickly find applications, or services information important to you. We may combine this non-personal information with your personal information. This type of data enables us to provide you with a more personalized user experience and determine how often customers use parts of our services, so we can make our services appealing to as many customers as possible.

Removal from email list: At any time, you can let us know whether or not you want to receive promotional material from us about our applications or services. We want to only provide you information you want. If you do not wish to receive such material, you can specify your preference during the information collection process or by contacting us at info@iMobile.us

Access to your Personal Information: We will provide you with the means to ensure that your personal information is accurate and up to date. If you want to access, revise or delete information about yourself, you may logon to your account and in members zone you can change your personal information or you may contact us by e-mail at info@iMobile.us

Cookies: Like most websites, we also use small bits of data called cookies, stored on users' computers to simulate a continuous connection. Cookies let us "remember" information about your preferences and allow us to serve you better. Remember! We neither rent nor sell your personal information to anyone. Cookies also allow us to make your visit to our Web site easier by recognizing you when you return and helping to provide you with a personalized experience. You can choose to decline cookies while at our Web site. Declining to accept cookies may limit your ability to access certain areas of the Web site and will limit our ability to provide you with a personalized experience. Most browsers accept and maintain cookies by default. Check the "Help" menu of your browser to learn how to change your cookie preference. We also keep track of activity on our Web site. We collect information such your IP address, browser type, operating system, domain name, access times, pages you view and referring Web site addresses. We also keep track of how you arrived at our site, any links you click on within our site, and any links you click on to leave our site. These site visitation data are identified only by a unique ID number, and it are never linked with personal information unless a user consents as described previously. Once you leave our site, we do not track you. We use your Web site activity to assist us in offering you a personalized Web experience, assist you with technical support, to maintain the quality of the service, and to provide general statistics regarding use of iMobile.

Statement Changes: iMobile will occasionally update this privacy statement. For material changes to this statement, iMobile will notify you by placing prominent notice on the Web site.

opt in & opt out: iMobile provides the right to its registered members to opt-in or opt-out at any point of time without any kind of obligation.

Contact Information: If you have any question or concerns regarding company, services, or privacy statement; you may contact us at info@iMobile.us
